John Williams' Prize Winning Story:

Wiltshire local John Williams was a contestant on the game show Golden Shot. Golden shot was a game show where people in the studio audience or at home would call in and guide the blindfolded cameraman with a crossbow attached to the camera to hit a target in order to win prizes. John didn't win sadly but he received a huge consolation prize of a brand-new fitted kitchen.

John's luck didn't stop there! He also won a Kia Picanto car in the Salisbury District Hospital Stars Appeal. He already had a car, so he gave it to his wife at the time and now 10 years later his son has it.
