- **1 based in South West Wiltshire**

- 17.5 hours per week
- Salary: £26,992 FTE
- Fixed term contract – 12 months

Would you like to support older people in your local community?

Age UK Wiltshire is seeking to recruit two enthusiastic, proactive, and motivated people to support older people to access information and advice and to become better connected with their communities, particularly people who are on a low income, socially isolated, or find it difficult to access services.

Working directly with older people, often visiting people at home, you'll have a direct impact on their quality of later life, helping to put money into people's pockets and supporting them to become better connected with their communities.

Each post is 17.5 hours a week, working pattern to be agreed. One post is based in both **Marlborough and Calne**, with approximately equal time spent in each town; the other post will cover the rural areas of **South West Wiltshire**. Travel expenses will be paid from the base areas. Please make it clear on your application which role (area) you'd like to work in. If applying for both roles, please only complete one application and make it clear you'd like to be considered for both roles.

If you have empathy, a natural affinity with people and an understanding of the issues affecting older people in your community, we'd love to hear from you!

This role is exempt from the Rehabilitation of Offenders Act and an Enhanced Level DBS check will be required.
