Would you like to support older people in your local community?

Age UK Wiltshire is seeking to recruit three enthusiastic, proactive, and motivated people to support older people to access information and advice and to become better connected with their communities, particularly people who are on a low income, socially isolated, or find it difficult to access services.

Working directly with older people, often visiting people at home, you'll have a direct impact on their quality of later life, helping to put money into people's pockets, access services and support and supporting them to become better connected with their communities.

If you have empathy, a natural affinity with people and an understanding of the issues affecting older people in your community, we'd love to hear from you!
