

## Thought about switching your supplier or energy tariff?

If you haven't switched for a while you may not be on the most cost-effective tariff. You can compare deals online or by phone and your new energy supplier organises the switch for you. Use an Ofgem accredited comparison service such as:

[www.uswitch.com](http://www.uswitch.com) Tel: 0800 6888 557

[www.simplyswitch.com](http://www.simplyswitch.com) Tel: 0800 011 1395

[www.moneysupermarket.com](http://www.moneysupermarket.com) Tel: 0333 123 1983

Consider if you would like a fixed rate vs variable rate and whether rebates are available for direct debit, paperless billing.

## Don't forget to organise a gas safety check!

Homeowners may qualify for a free annual boiler safety check from their energy supplier. This isn't a substitute for regular servicing. Renters should ensure your landlord checks the boiler for safety each year. If you smell gas call National Gas Emergency Service on 0800 111 999.

## Heard about smart meters?

These could help you become more aware of your gas and electric usage and prevent estimated bills to help save you money. Contact your energy supplier for details.

## Looking for a Christmas event?

Community Christmas from Reengage collate events for those spending the festive season alone. Visit [www.reengage.org.uk/support-us/community-christmas](http://www.reengage.org.uk/support-us/community-christmas)

# Keeping warm and well this winter

## Our services include:

- ◆ Free Information & Advice on a range of topics affecting older people and their carers
- ◆ Services to improve social wellbeing
- ◆ Meals+ hot meal delivery service
- ◆ Fitness & Friendship groups
- ◆ Charity shops

## How your energy supplier can help

If your household has a low income, older person, child or someone with a disability then you may be eligible for help through **Energy Company Obligation** - energy saving improvements, boiler repairs or a new boiler. This may also apply to houses that are not energy efficient. Contact your energy supplier to check.

If you receive Pension Credit or Housing Benefit, you may get a **£150 Warm Home Discount** to help with fuel bills. Your energy costs may also be taken into account. Helpline: 0800 731 0214 [www.gov.uk/the-warm-home-discount-scheme](http://www.gov.uk/the-warm-home-discount-scheme). For Park Homes there is a separate scheme: [www.parkhomeswhd.com](http://www.parkhomeswhd.com) tel: 0330 555 9424.

## What government help is there?

If you were born before 25 September 1957 you should receive a **Winter Fuel Payment** of between £250 and £600. This year the amount includes an extra £150-£300 Cost of Living payment. Helpline: 0800 731 0160 [www.gov.uk/winter-fuel-payment](http://www.gov.uk/winter-fuel-payment)

Other **Cost of Living payments** are also available if you receive a disability benefit or means-tested benefit.

If you get certain means-tested benefits, including Pension Credit, then you could get a £25 **Cold Weather Payment** for every 7 day period that the temperature is 0°C or lower.

## Use oil for heating?

If you use oil then joining a bulk buying scheme, such as through Wiltshire Community First Tel: **01380 732809** [www.communityfirst.org.uk](http://www.communityfirst.org.uk), could result in lower costs.

## Need a heating related grant or energy efficiency advice?

**£200 Wiltshire Surviving Winter Grants** are available through Age UK Wiltshire to older people who are on a low income and at risk of fuel poverty.

**Wiltshire Warm & Safe** is provided in partnership with Centre for Sustainable Energy, to deliver comprehensive free energy advice service for Wiltshire and Swindon. Tel 0800 038 5722. The service offers:

- Advice on eligibility for local and national energy grants
- Advice on insulation, heating and draft proofing and guidance on resolving damp and condensation issues
- Guidance on heating systems and controls
- Advice on understanding your fuel bills, managing fuel debt and switching energy suppliers and fuel tariffs

**Energy Saving Trust** - [www.energysavingtrust.org.uk](http://www.energysavingtrust.org.uk)

**Simple Energy Advice** [www.simpleenergyadvice.org.uk](http://www.simpleenergyadvice.org.uk) tel: 0800 444202

If you have fuel debt there may be grants available through charities, or your council's Local Welfare Provision may be able to provide one-off assistance.

## Heard about the Priority Services Register?

Energy and water companies have a Priority Service Register. This offers **free services and support, including help during a power cut** for more vulnerable customers. Call your own energy company to register. You can also register with Scottish & Southern (power distributors in Wiltshire) on 0800 294 3259.
