Coach Trip - Halifax Market

Wednesday 13th May 2026

Visiting Halifax Borough Market for the first time feels a bit like taking a step back in time. This award-winning market was first opened in 1896 and has been the beating heart of the town ever since. Its Victorian splendour can be seen throughout – on the ornate clock-tower, in the glass roof and on the intricate carvings. It is a real treat to see the vast, stunning Victorian building and wander through the maze of stalls. This market is a special place to visit, there is more to this market than just food!!
