

The Great Wirral Door Knock

**Working in Partnership with you to beat loneliness
and isolation in our community**

What is the Great Wirral Door Knock?

The **Great Wirral Door Knock** is a partnership initiative to speak to local residents in Claughton Village. We want to find out what activities are currently running for older people, what support exists and what we could do to reduce social isolation in the area.

A volunteer will be knocking on your door today.

- All volunteers will wear a Door Knock ID badge
- Volunteers will not ask to come into your home.
- Volunteers may ask to write down some information so we are able to offer you more support in the future – they will ask you to sign the form giving your permission to pass on your details to the relevant partner.
- Volunteers will not ask for donations.

We cannot cover every house in the Claughton village area so if you would like to tell us your views please come to the following venue below to see us:
