Our dementia-friendly screenings are programmed in partnership with the 'A Life More Ordinary' Project at the Dukes Theatre, Lancaster. 'A Life More Ordinary' is a 3-year project led by The Dukes, which aims to improve the lives of people with dementia and memory loss, and their friends and families, by providing fun, creative activities and film screenings in an adapted environment. Please note that pastoral care is not provided at these events. A friend, family member or carer must also attend. www.lightcinemas.co.uk
