## Handyperson Service

A low cost, reliable service for people over 50 years of age to help keep homes safe, warm and secure.

### What kind of jobs do we do?

- Fitting a key safe
- Moving and assembling furniture
- General D.I.Y tasks e.g. curtain rails, hanging mirrors and pictures.
- Simple plumbing, carpentry and decorating jobs
- Fitting of security equipment e.g. locks, spy-holes, chains
- General gardening and lawn-cutting
- Free Home Energy checks, including fitting draught proofing and energy saving devices

We cannot help with more complicated plumbing or with repairing/installing gas and electric appliances.

### How to get in touch:

Call **01902 572060** to book an energy check or to arrange a free quote with an experienced handyperson.

### The cost:

The work is tailored to your needs. The cost is just £25 for a full hour's worth of work completed around the home - so if the first task is finished quickly then our Handyperson will be happy to do other jobs within the remaining time.

### Who are we?

Age UK Wolverhampton is a local charity supporting independence by providing one-to-one assistance at home.

We also provide a free Information and Advice service for help with benefits checks and applications for Attendance Allowance.
