Purpose of the role

Waiting lists for foot care are very lengthy in Worcester & Malvern Hills. We aim to make it easier for our clients to receive the foot care they need with reduced waiting times. Because of this we have identified the need to provide foot care to our clients.

Main activities of the role

- Assisting with client's foot care (nail cutting, nail filing etc.)
- Greet clients and welcome them to the clinic

Personal qualities, experience and skills

Ideally some previous health care experience (or you are studying towards this), is needed for this role. Good communication skills, patience and a pleasant polite attitude is also needed. Being able to work as part of a team and with the clinic clients is essential.

Our commitment to you

We will provide you with: relevant induction & training, ongoing support, reimburse reasonable travel costs and invite you to our group events.

Full training will be provided for this role.
