Computer Tutor / Digital Champion Volunteer

Age UK Worcester & Malvern Hills
01905 724294 | 01684 560666 | art@ageukwmh.org

Volunteer with Age UK Worcester & Malvern Hills and be the difference in helping an older person love later life.

Purpose of this voluntary role

With technology forever advancing, it can be hard for older people to stay in the know. While many older people have embraced digital technology, there are many others who are less confident and are at risk of exclusion.

Main activities of the voluntary role

A volunteer Computer Tutor / Digital Champion is someone who is trained and supported to inspire others to get online and can spend some time showing them how.

Tasks include, but not limited to:

- Provide 1-1, bespoke computer tutoring for as little as a couple of hours per week
- Create a warm and friendly environment at our classes
- Liaise with our Digital Inclusion coordinator

Experience

You do not need to have any prior experience or be a technology whizz.

As a Computer Tutor / Digital Champion you should have:

- A love for meeting new people and willingness to help others
- Enjoying being online
- Be confident with basic technology use, for example tablets and smartphones
- The ability to work as an individual as part of a wider team

Benefits of volunteering with us

- Learn new skills and develop existing ones
- Develop your confidence and gain experience of the workplace
- Reimbursement of reasonable travel costs incurred
- Ongoing support and training where relevant
- Become part of our wider volunteer network, where you will be invited to group events and meet others alike

Who are we?
