From time to time you may wish to comment on our work. For example, are there other ways we could be doing things? Please let us know.

Your comment will be discussed with the most appropriate member of staff. We may need to contact you to clarify the details. Where appropriate your comment will be taken into account and may well influence the way Age UK Wyvern delivers its services.

Compliments

It can be the best encouragement for members of our team to receive an appreciative word or a compliment. Let us know if we are doing things right, as it helps us to make sure we keep doing it.

Complaints

Occasionally things do go wrong and when they do it helps us to know about it. Often there has been a misunderstanding and complaints can be sorted out quickly through discussion and understanding.

We will listen carefully to what you are saying and we will do our best to sort out your complaint positively and at the earliest possible stage.

Sometimes it may not be possible to sort out your complaint at this early stage or you may not be satisfied with the answer you receive.

If so, each complaint will be taken seriously and fully and confidentially investigated; in accordance with the Age UK Wyvern Complaints Policy and quality standards.
