

Digital Tutor Volunteer

Role Description

Role purpose

With technology forever advancing, it can be hard for older people to stay in the know. While many older people have embraced digital technology, there are many others who are less confident and are at risk of exclusion.

Main tasks/activities

A volunteer Computer Tutor / Digital Champion is someone who is trained and supported to inspire others to get online and can spend some time showing them how.

Tasks include, but not limited to:

- Provide one-to-one, bespoke tutoring for as little as a couple of hours per week
- Create a warm and friendly environment at our classes
- Liaise with our Digital Inclusion coordinator

Skills/experience

We are looking for individuals who:

- A love for meeting new people and willingness to help others
- Enjoying being online
- Be confident with basic technology use, for example tablets and smartphones
- The ability to work as an individual as part of a wider team

Background checks

As part of joining our Digital team, we'll ask you to complete an Enhanced DBS (Disclosure and Barring Service) check and provide two references, to ensure everyone we support stays safe and well cared for.

Expenses

We reimburse reasonable expenses incurred, for example travel costs.

Days/hours

From 1-2 hours per week, depending on your availability and client need
