

## **Volunteering with Age UK York**

Thank you for considering Age UK York for a volunteering role.

Age UK York has been helping older people in the city for over fifty years. We promote the wellbeing of all older people in and around York, enabling them to make life fulfilling and enjoyable.

We aim to match volunteers with a volunteering opportunity that will be both enjoyable and rewarding. As such, we undertake a comprehensive recruitment process, comprising application form, interview, reference requests and induction training. For most volunteering roles, a Disclosure and Barring Check (criminal records check) will also be required. Please be aware that we accept applications from those over 18 years old.

All staff and volunteers within Age UK York seek to provide the highest standards of care and support to our client group and we very much look forward to welcoming you to our team.

Thank you for your support.

EMAIL

**CURRENT CIRCUMSTANCES** Please tell us why you would like to volunteer with us and a little about your current circumstances.

If you have a car, do you have fewer than six points on your licence?

**MEDICAL CONDITIONS** Please list any serious conditions (including mental health illness) over the last five years and include details of ongoing treatment. This does not exclude you from volunteering and allows us to make adaptations as required.

#### CRIMINAL RECORD

If you progress your application with us, you will be asked for details of convictions. Some of our volunteering roles are exempt from the Rehabilitation of Offenders Act 1974 and you will be required to reveal all convictions, even those which are spent. A criminal record will not necessarily be a bar to obtaining a position. Most volunteering opportunities will require a DBS check (Disclosure and Barring Service).
