Wills and Lasting Power of Attorney

Leaflet Date: July 2023

Will writing service

We offer a simple, straightforward will writing service. We can offer single wills or mirror wills.

Lasting Power of Attorney

A lasting power of attorney (LPA) is a legal document that lets you appoint one or more people to help you make decisions or to make decisions on your behalf.

This gives you more control over what happens to you if you have an accident or an illness and cannot make your own decisions.

Health and Welfare LPA

This gives someone the power to make decisions about things like:

- your daily routine, for example washing, dressing, eating
- medical care
- moving into a care home
- life-sustaining treatment

It can only be used when you're unable to make your own decisions.

Property and financial affairs LPA

This gives someone the power to make decisions about money and property for you, for example:

- managing a bank or building society account
- paying bills

- collecting benefits or a pension
- selling your home

This can be used as soon as it's registered, with your permission.

Appointments

We can offer home visits or telephone appointments.
