## Who we are?

Age UK Horsham District is a local, independent charity. Our team of staff and volunteers work with 7,000 local older people (those over 50) every year. We work with individuals and communities to make a difference every day.

We are here to help, whether your problems or questions are big or small, you want to find out how best to get involved with others or you need that little bit of extra support – we are your first port of call and will work with you to find the best solution for you.

**Our vision is that Horsham District is a district in which everyone can love later life.**

## About our work in Horsham District

We provide essential services, many of which are free, and include:

- **Home Visiting** – a free service for those most lonely, isolated and vulnerable. A volunteer is carefully matched to provide friendly companionship and support, offering a lifeline to the outside world.
- **Help at Home** – signposting to reliable sources of help and support in the home, to enable the individual to remain independent and in their own home for longer.
- **Home from Hospital / Relative Support** – a free service for older people with no one to help them when they return home from an unplanned hospital stay. Support is also available to help families make informed choices about future care for their loved ones.
- **Village Agent services** – a local, friendly face supporting those in rural communities with advice and practical help.
- **Local Day clubs and clubs for people with dementia** where those over 50, their families and carers, can receive support, enjoy social activities and interaction.
- **Information and Advice** – a free service providing essential advice, assistance and support to those needing help with a range of issues, including finances, housing and health.

## Age UK Horsham District and Age UK

We are a partner with the large, national charity Age UK. As well as working with us locally – the national charity campaigns, researches and provides evidence for and with older people.

Here in Horsham District we share that national Age UK name, but our focus is to deliver what works for older people living here.

All the money we raise stays right here in Horsham District to support our charitable services. We are proud to be a member of the trusted Age UK network but our focus is local.
