Map of Services

We provide the following services, many of which are free, throughout the whole of the Horsham District (the white area of this map):

- Help at Home - signposting to reliable sources of help and support in the home
- Home from Hospital - helping older people when they return from an unplanned hospital stay.
- Relative Support - support for families to make choices about future care of loved ones
- Information and Advice - advice, assistance and support with a range of issues (finances, housing, health)
- Home Visiting Service - a free service for those most lonely, isolated and vulnerable
