Our Vision

We want everyone in England regardless of **age**, **background** or **level of ability** to feel able to engage in sport and physical activity.

Some will be young fit and talented, but most will not.

We need a sport sector that welcomes everyone – meets their needs, treats them as individuals and values them as customers.

What we know

At any one time, 29% of people over 16 in England are inactive (12.2m)

Addressing the people who are least active will have the biggest impact on physical wellbeing
