

# Unpaid carers

The person you're supporting may be an unpaid carer for the other person/s they live with. It's useful for you to be aware of this when you're providing help.

- A carer is anyone of any age, who provides unpaid care and support to a relative, friend or neighbour who is disabled, physically or mentally ill, or affected by substance misuse.
- Carers can be involved in a whole range of practical, physical, personal and administrative tasks. Examples might include; cooking; housework; lifting, washing and dressing the person cared for; helping with toileting needs; administering medication; and providing emotional support.

It might help the person you're supporting to connect with other carers – Carers Wales are running a Care for a Cuppa every Wednesday where carers can meet virtually for a coffee and a chat: See: <https://www.carersuk.org/wales/help-and-advice/care-for-a-cuppa-in-wales>

There are also forums that carers can join to share experiences with people in a similar situation: <https://www.carersuk.org/help-and-advice/get-support/carersuk-forum>

## Emergency plan

Carers Wales advise all carers to create an emergency plan – for them and all those they look after. Having a plan in place can help ease their worries if they aren't able to care for those they look after at any point in the future.

You could support the carer to complete this plan so you're aware of the support needed.

For further information on creating an emergency plan see: <https://www.carersuk.org/help-and-advice/coronavirus-covid-19/making-a-plan>

## Support with caring for someone at home

If someone you support as a 'Friend' needs help with caring for someone at home but aren't sure who to contact, they can contact their local council who will be able to help them and assess any social care needs they might have.

# Gofalwyr di-dâl

Mae'n bosibl bod yr unigolyn yr ydych chi'n ei gefnogi yn ofalwr di-dâl i'r unigolyn/unigolion sy'n byw gydag ef. Mae'n ddefnyddiol eich bod yn ymwybodol o hyn pan rydych yn darparu cymorth.

- Mae gofalwr yn unrhyw un o unrhyw oed, sy'n darparu gofal a chefnogaeth ddi-dâl i berthynas, cyfaill neu gymydog sy'n anabl, yn sâl yn gorfforol neu'n feddyliol, neu wedi'u heffeithio gan gam-drin sylweddau.
- Gall gofalwyr gymryd arnynt ystod eang o dasgau ymarferol, corfforol, personol a gweinyddol. Gall enghreiftiau gynnwys; coginio; gwaith tŷ; codi, ymolchi a gwisgo'r unigolyn sy'n derbyn gofal; helpu gyda mynd i'r tŷ bach; rhoi meddyginaeth; a darparu cefnogaeth emosional.

Gall fod yn ddefnyddiol i'r unigolyn maen nhw'n ei gefnogi gysylltu â gofalwyr eraill - mae Gofalwyr Cymru yn cynnal digwyddiad Care for a Cuppa bob dydd Mercher lle gall gofalwyr gyfarfod dros y we am goffi a sgwrs: Gweler: <https://www.carersuk.org/wales/help-and-advice/care-for-a-cuppa-in-wales>

## Cynllun mewn argyfwng

Mae Gofalwyr Cymru yn cynghori pob gofalwr i greu cynllun mewn argyfwng - ar eu cyfer nhw eu hunain a'r rheiny maen nhw'n eu gwarchod. Gall sefydlu cynllun helpu i leddfu eu poenau os nad ydynt yn gallu gofalu am y rheiny sy'n derbyn gofal ganddynt ar unrhyw bryd yn y dyfodol.

Gallech gefnogi'r gofalwr i gwblhau'r cynllun hwn fel eich bod yn ymwybodol o'r gefnogaeth sydd ei hangen.
