

London Marathon 2026 Finishing time sweepstake game

Help me to raise money for Age UK to support more older people.

Here's how it works:

- Host your sweepstake in person. If you've downloaded this game, you'll need to print it out.
- Ask each participant to guess a finish time for a suggested price of £3 per guess to create a prize fund.
- Once you've received your verified TCS London Marathon finish time, present a prize to the person who guessed closest to your finish time and donate the rest to Age UK.
- You can pay the money raised onto your online fundraising page or send us a cheque/cash to Events Team, Age UK 7th floor, 1 America Square, 17 Crosswall, London EC3N 2LB
