

## Draw a team, cross your fingers and help support Age UK

Everyone loves a sweepstake, especially around a sporting event - and they don't get bigger or more exciting than the World Cup! For just £3 an entry, why not get involved and raise money for a good cause?

Here's how it works:

- Kick off by printing out this sweepstake pack and host your sweepstake in person. Cut out the team flags, fold them up, and put them in an envelope.
- Ask each participant to draw a team at random for a suggested price of £3 per team to create a prize fund.
- Write down who has picked which team on the page provided.
- When the final whistle goes on World Cup 2022, present half of the total prize money to the person who picked the winning team and then please donate the other half to Age UK.
- Share your successes and pictures with us online using #AgeUK
