5 incredible things we did last year

- 1 Together with our network of local Age UKs, we helped older people identify over £200 million in unclaimed benefits
- 2 Age UK's Information & advice services reached 7.5 million people
- 3 We campaigned for new legislation to reform the care system in the Care Act
- 4 We also campaigned for older workers to have the freedom to choose when to retire through our Just equal treatment campaign. This led to the Government abolishing the Default Retirement Age
- 5 Age International helped 850,000 older people and their families with their essential services
